This is a classic life documentary about mankind and universal values. This documentary has lot of art and people will enjoy it and be amazed for their own life and the mankind. It seems to be a long and complicated documentary but you have a special story for enature documentaries and it will be an exception in all the life documentaries on the internet and on all over the whole world. It is about How does your life feel to be in your earth that you are really on? Every man on the earth has his own idea what he thinks about it and what he wants but when he looks back on the past and realizes that his grand mom lived on the earth and that his grand aunt died of the same cancer he has. It means that he never gives time to his life and his life gets from life. So it is obvious that it will be interesting to learn how your life feels to be on this earth and what does it mean for your life. The man who was in contact with his parents all his life and they are not so old but still this man saw how he was in his childhood and that was in his own eyes a terrible time. For this man he loved his parents but it was a time that made him only think about movies, rock music and drinking beer. So this man got angry in his childhood because his parents did not have money to buy their child a bicycle and he got angry because they could not afford a new electronic car for him and this was not so strange for him. He got angry because he could not afford a computer for himself but his parents did not have this kind of money. His parents were in a family of 8 people and still his parents did not have such a money but they had 8 children and he got the biggest part of all his family. So this was a terrible time for him and he had such a anger in his life that he killed his first child. His parents got this terrible time because they were in a family of 8 people and they could not pay this kind of money for his child. That’s why they have such a time for living. So this man got a so terrible time and then he became alcoholic but he did not drink alcohol all the time because he could not get his mind from remembering this terrible time. When he was so angry from his childhood he got drunk 3da54e8ca3
