An open-minded young Tamil couple living in urban Mumbai move in together with no strings attached. They don't need money because they have a good job. The couple wants to live in a cozy and beautiful house. However, they do not want to live in the city, so they buy a piece of land and plan to build a house surrounded by nature. For three million rupees, they buy a small plot of land, which in the course of a year turns into one of the most beautiful and cozy places that this country has ever seen. They built a beautiful Indian style house.
