**Intrusion 2 Full Version Game Hacked**

March 14, 2015 - play now in your browser. . Invasion 2 [official site] is an escalation exercise. You start out as a soldier with a laser pistol. It looks like everything you've seen before, but there are a few important differences. First, in Invasion 2 you can change the screen size and control the third person view. Secondly, and most importantly, you can change your race, as well as choose weapons. Thirdly, you have several modes, sort of like in the "New Game" mode. The New Game mode allows you to create your own character and make it unique. In New Game mode, you can experiment with races and weapons.
