"The original Epub file is not the same as the retail version (the retail version is included with the documentation but not on the Epub website). If you want to rename the eBook files in the retail version, you can rename them in the Epub website just like you rename any other Epub files. If you want to reinforce these eBooks, you can purchase the Epub

website as a full subscription or you can use a different subscription type instead with no additional cost." "The original Epub file
