Remember you can only join a playlist if there's at least one active stream in that playlist. (The playlist number should be shown next to the stream) For example: !playlist 6 The number after !playlist is the playlist number, in this example it's 6. You can then start playing some of the streams in that playlist. Don't forget to tag the streams you play as mentioned above. If you want to leave a playlist, just type `!quitplaylist` Have fun! Learn a new language everyday. Be prepared to be amazed. [www.imlanguage.com](http://www.imlanguage.com) \*\*\*\*\* I made this video just so I can learn English better. \*\*\*\*\* I'm a huge fan of Russian-English subtitles and English-Spanish subtitles for Spanish-language movies and English-Chinese subtitles for Chinese-language movies. Please consider buying my videos so I can continue making quality videos for you all. Thank you so much and have a great day. \*\*\*\*\* -----
