This is free ripping software, which may use at first but will need some test to make sure that no damage happens. Exact same software can be found in the Dubble.exe. Don't use it though! more info. P.S: I used CDex for Windows to rip the disc, but the media I used to rip it was a ripped copy of it. In this case, this will be a Korean version of the game, and the US one is usually much more accurate, so skip this one. In the future, the low quality ones will be taken down. The clean version is here.
