The present invention relates generally to an antenna assembly, and more particularly to an antenna assembly for a communication device, such as a cellular telephone. One of the most difficult and common tasks associated with any wireless communication device is optimizing antenna performance. Depending on the situation, an antenna can provide one of the worst receiving conditions on a portable communication device, where the communication device is moving or is located in a moving vehicle. In these situations, a great deal of time and resources is spent on optimizing the antenna performance. This is especially true for cellular communications, where a cell phone using these technologies is typically moving and its associated antenna is trying to maintain optimal connection conditions. Prior art antennas are shown in FIGS. 1A, 1B, 1C and 1D. FIG. 1A shows a prior art antenna 10. As shown, the antenna 10 includes an antenna element 11 and a supporting element 12. Kim Kardashian Snapchats Kim Do It Yourself? Kim Kardashian Snapchats Kim Do It Yourself? The mystery surrounding Kim Kardashian's trip to the dentist continued on Monday as the Keeping Up With The Kardashians star posted a photo of herself in the dental chair on Snapchat that appears to be doctored. The real kicker, though, is that in another shot taken during the visit, Kardashian does not appear in the chair. The first photo with her in it shows her laying down in the dental chair, her feet even resting on her head. Kim Kardashian's "publicist's back" on Kim's recent selfie. Disgusting! Besides the cosmetic changes, the tabloid report is chock full of eye-popping accusations, such as the fact that Kardashian's ex-boyfriend, Kanye West, once poked fun at her for having a "dragon" tattoo. Always Kim Kardasian," she concluded. "Kardashian shares [her sex tape] with the world, people look at it and say she had bad taste. "I disagree," she added. "I think there were certain things on there, I think she did have a great image." The result: Kardashian has become the butt of much of the internet's ridicule, especially in the wake of Kim's divorce from Kris Humphries. One such widely viewed video showed a man riffing on the divorce, at one point asking, "Are we going to see Kim Kardashian naked?" The clip, which was posted to YouTube in May, has since been removed. In the run-up to Humphries' and Kardashian's marriage, Twitter users started a trend by posting jokes using Kardashian's @kimkardashian username. The hashtag #KimMustDie was used to signify the end of the celebrity marriage, but it was not
