The first game in Phoenotopia: Awakening - Dual Blades, the new RPG franchise from newcomer Koei Tecmo Games. It takes place in a fantastic, mythical world called Phoenotopia, ruled by the gods Gaia and Alma. In order to control the fate of humanity, an evil power called Nefilim has emerged. With the help of the human hero Ryuumaru, you will play as a young man with a strong devotion to your dream, wielding a weapon called a Keturahra, a mysterious form of sword that changes according to the character's gender. Together, you will rise to a higher stage of evolution and fight against Nefilim. Also, the iconic character design of the new RPG from Koei Tecmo has been fully re-worked!

■Overview On the continent of Phoenotopia, Gaia, the goddess of light and life, and Alma, the god of dark and darkness, both see humanity as a gift from them. If it survives, it can be developed into a new utopia. However, Nefilim, a villain who wants to destroy humanity, has arisen. With the power of the Nefilim magic, they have taken over the entire continent. Nefilim has also infiltrated the land of the gods, and Gaia and Alma are captured. The one who helps the gods is Ryuumaru, a young man with a strong devotion to his dream, wielding the 'Keturahra', a weapon that changes according to the character's gender. Together, Ryuumaru and the gods will revive humanity, and go on a journey to save the world!

■Characters Ryuumaru: A young man with a strong devotion to his dream. It is said that he was once a traveler who stayed at a village overnight, and gained inspiration and a great dream there. Relying on the strong dream he has, he joins the group of heroes fighting against the Nefilim. Tsumugu: The leader of the group, a man with a sharp wit and a good sense of timing. His sword Kenbunshoku Ryuumaru is said to surpass the sword of the legendary hero Harakami. His name and original form are the same, but with his trust in others, he was reborn as the weapon Ryuumaru. As one of the Goddesses of Light and Life, he is able to communicate with

O' Lantern Glow Stove Details Why Stove? Pumpkin Jack O'Lantern Glow Stoves can be used for heating in kitchens, commercial kitchens, plants, spas, bars, bike sheds, composting units, outdoor kitchens and campsites. Is this the perfect gift for the holidays? Have you ever wondered what drove some people to create useful and eco friendly items? Well here's a foodie re-creation that has made me a very happy woman, a Pumpkin Jack O'Lantern Glow Stove. I know on Halloween it's hard to find an eco-friendly or clever gift that isn't some green shoot wrapped in a leafy branch, well this stove will do just that. I toyed with the idea of an edible decoration gift for Halloween. Then I saw the glow in the dark "Pumpkin Jack's" head by Ebon's Clay Candles, I was hooked. These handcrafted Halloween Jack O' Lanterns are made by hand mixing Ebon's Clay Candles and Glow in the Dark Glitter. A little Love goes a long way in making these extra special! Ebon's Cannons are all handmade, made by the kindest craft workers, from the finest 100% Pure Clay. In addition, all Ebon's Clay brand candles are Vegetarian, made with natural soy, palm and sometimes rice-bran oil. No paraffin waxes in these candles, to insure that each product is pure with zero toxins. Toaster Ovens - When the bread is toasted about 10-12 minutes each side add all above ingredients and blend to mix. You will have a healthy and nutritious nutrition for your blood, proteins, vitamins, green vegetables, carbohydrates, fruits, and fiber. What you will get from Jack O Lanterns 1kg of Glow in the Dark Clay Jack-O-Lantern, a gorgeous

"Renai Karichaimashita" is a romantic comedy about the trials and tribulations of a hopeless romantic who is willing to do anything to help his friends succeed. Beware of fake girlfriends! And please don't hurt my sister! Stay tuned for more games from ASa Project! It's a period of unprecedented opportunity and change, but a world of ageless turmoil waits beyond the frontiers. The year is 1868. The Americas have been won, the Pacific torn asunder, and the European nations are completing the industrial revolution. Now the Japanese Empire stands eager to extend its reach to the West. But with great power comes greater responsibility. As the sun rises over the Pacific Ocean, a US-Japanese trade treaty allows a covert Japanese military force to establish a permanent outpost on the remote Marianas Islands in the middle of the Pacific Ocean. From the archipelago of the Japanese, a stately black-and-gold telegraph ship stretches its mind-altering tentacles across half the globe, sweeping through oceans of electrical impulses and digital messages. But, with the power to connect, the lines of communication can also be a path for espionage, and peace-loving America bears the scars of those violent incursions. As a dark secret power gains traction in the halls of the United States' Capitol, an unlikely hero emerges to sacrifice his own desires and rise in defense of democracy. Now, Japan's pioneering Oriental army of "samurai" has been reborn in the American West, and the question is not if they'll be a thorn in the side of the US, but how far they'll be allowed to grow? KEY FEATURES: • Racing for the Wind!: 2 brand new game modes! • New Gameplay Mechanics and Characters! • An original soundtrack by Basil Poledouris • True Japanese Spirit: Stunning animation and characters with a unique style that are rooted in real history! • Stunning Artwork: Elegant Japanese illustrations and CG cutscenes • An enhanced story with a gripping cinematic experience! ● Mind-Altering Content: As strong as the wind, as deep as the ocean, as pure as the sky. The US National Flag adopts a new design... ...designed to convey a "world class" standard. The Japanese Imperial flag also adopts a new design, some may even

VOGTURZ - VOGTURZ Overview: VOGTURZ is a new 3D graphics engine designed to allow the use of double-sized resolution textures. Double-sized resolution textures allow larger textures to be seen in an area at the same resolution as the rest of the game. It also allows standard sized graphics to be displayed on a double-sized resolution monitor. This means that the game world is always crisper, and text is more readable. This mod adds a number of GUI elements, including a terrain and objects
