August 29, 2014 Verified Purchase I didn't have time to get a fitting on this, but I just got it today and am so happy with it! I liked the stretch on the side, and it felt so soft. It's also a great fit, with just the right amount of stretching and an airy, comfortable feel. I'm in love with this and definitely recommend it to others. (Posted on 11/21/15)Despite the fact the Trump administration has been in the White House for only 10 days, some senior officials have already altered their rollout plans. The result is that a tough reform bill, which was likely to face certain defeat in the Senate, looks set for approval after all. And already Senate Majority Leader Mitch McConnell, R-Ky., has admitted that tax reform — Trump's "greatest accomplishment" — is unlikely to happen by the August recess. Trump and his Treasury secretary, Steven Mnuchin, must now make the best of a bad situation. It's not too late for them to at least schedule some high-level meetings with Republicans, who are now doing a better job of engaging with the Trump White House e79caf774b

Revit MEP 2014 is the ideal solution for the BIM community. It's a major step forward in your architectural and MEP design process. Get started right away, and start to save time, cost, and make some great design solutions using the world's most intuitive 3D Building Information Modeling tool. [displayformat name="4" lenient="true"] source=Autodesk BIM 360 AUTODESK AUTOCAD MEP SDK 2014 . PILOT RELEASE [center] . AUTODESK AUTOCAD MEP SDK 2014 . PILOT RELEASE .
