Alfredo Quirós
Alfredo Quirós (24 November 1906 – 20 December 1980) was a Spanish professional road racing cyclist who rode for the Albatros-Renault, Herbeaud, Selle and Torrent-Herbert teams. He was born in Barcelona. Major results 1934 Vuelta a España: Winner stage 10 1935 Palencia Murcia Tour de France: Winner stage 3 1936 Paris–Roubaix Tour de France: Winner stage 1 1938 Tour de France: Winner stage 4 External links Category:1906 births Category:1980 deaths Category:Spanish male cyclists Category:Spanish Tour de France stage winners Category:Sportspeople from Barcelona Category:Tour de France cyclists

In my opinion this book is great. It gives you a good idea about the Cryptography, Error correcting codes, and data compression. I have read other books on cryptography but this book contained more than that. It contains any information about any new technology that is changing our future. It also gives an idea on how to do the above mentioned things in a professional and updated way. It has different contents like:- Introduction. Chapter 1: Data Encryption/Decryption Chapter 2:
