An epic drama in which the various thoughts of the characters intersect in the Lands Between. • **Unique Online Play that Loosely Connects You to Others** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

The new world where sunlight plays the main role is a partially flat world. This world structure makes a variety of high-velocity projectiles and a multiplicity of role-play actions possible. You can enjoy all the intensity of arcade battles deep in the Land of the Dusk.

The world that challenges all the rules of RPGs, infinite dungeons and raids that respawn regularly after every death. A world where even large-scale battles can be fought in real time. A world ruled by different elemental forces of rule over violence and the conquest of life itself, where the tranquility of your chosen race depends on your heroic actions.

A world where tumultuous tension is always threatening to spontaneously combust, but in which cutting-edge technology that has yet to be discovered is expanding its influence to the extreme. In this world, a teeming swarm of the called 'alien' is advancing towards human society, while military leaders are waiting for the call to battle without consideration of the cost of war.

The new world where sunlight plays the main role is a partially flat world. This world structure makes a variety of high-velocity projectiles and a multiplicity of role-play actions possible
