F. STORY & CHARACTER ■ Expanding the Story in the Lands Between

A sprawling saga filled with the drama of the Lands Between unfolds as you participate in the adventure of the Elden Lord. At the heart of the story is a myth as old as time, “The Unhappy Soul.” —An ancient myth which tells the story of a boy who through his own actions must live an endless life in the world of the dead. This story has touched the minds of countless people for generations, and it is thought to be the origin of many folktales. —The Lands Between are separated by a towering mountain range. Old myths and legends say that the land was once connected, but after a great flood, it became separated, and it is said to be a place of endless difficulty. No one knows whether that is true or not, and it has become a place that is filled with fantastic creatures. —And now, the Elden Ring has materialized, and many factions have taken up arms to take control of it. Its power is equivalent to all the ancient myths and legends combined. The Elden Ring has been chosen by fate, and the story of the Unhappy Soul, told by the people of the Lands Between, has been set in motion. —The story begins as a mere dream. No one knows if it is real, or an illusion to which the land is connected. —The fate of the Elden Ring is in the hands of the player! ■ **Combat Rules** The basic combat rules are as follows:

- You can move and attack in real time.
- The player with the highest attack power wins.
- Battles are performed using the skills of the characters.
- Battles take place on a four-by-four grid, each party taking up half of the screen.
- Random encounters with monsters occur as you

What's new in Elden Ring:

" >CALGARY - A 17-year-old girl at Kensington Junior/Senior High School has been expelled after she failed an exam. School spokesperson Laurie Church says the exam was in a math class. The girl's parents say they are disappointed in the results. They say the girl is taking a year off before starting Grade 11 next school year. Church says there will be "adjustments" to the exam structure. Students failed the exam. (END) CTV Calgary News *****
