[Football] vs. [Soccer] Play as football, compete as soccer Football and soccer are two sports played on different surfaces with different rules and physical characteristics. They are similar in that both are played with a ball and most teams field 11 players, but the difference is in the length of the game: a soccer match is 90 minutes long, while a football match is usually two-thirds of that. Every team fields 11 players, including goalkeepers Football Simulation Aggressive offensive play Aggressive defensive play Heavily symbolic tradition-inspired presentation Offensive and defensive emphasis Alternative control schemes Breakdown While the passing, shooting and attacking elements are typical of the simulation

category, EA SPORTS FIFA offers a unique and immersive experience by allowing you to customize your own teams. Whether you're playing as your favorite team or taking on the role of an underdog, you can go toe-to-toe with your friends to prove that you're the most dominant football and soccer player on the pitch. In-Depth Player Character Defensive view By meeting the right criteria, you can make your player unique and stand out on the pitch. You can also change the appearance of your team, then customize the jersey or how you want to play on the field. Many teams in the game are associated with an iconic player or national team. We'll introduce you to them as you progress through the game. Emphasis on team play FIFA 22 is all about teamwork, and here you'll discover how your team works together. Every passing, shooting and attacking play will enhance your team's presence on the pitch. Control schemes Football and soccer use very different control schemes. Choose the control scheme you prefer and master it before you compete in a game. Soccer Football New Playstyle Options Football-style gameplay has never been so immersive. Select any number of the new playstyle options to create your own playing style. Block Zone Run Pace Circle Direct Offense Whether you're free-kicking the ball or playing a pass, every move you
