Akihabara is a town full of akiba, a subculture that includes otaku (geek) and doujinshi circles. In Akihabara, you will be able to meet people like you, work in any business, practice school, or take lessons. Can you survive in the world of anime and games? Visit these places in Akihabara: *Kotekina Akihabara- a multiple media space for tokusatsu (special effects) kaiju (giant monster) and other anime and game fans. *Kotetsusan- a "cafe" where hosts talk to fans, sell "hard" (hand-drawn) posters, and offer collectible goods (manga, anime, games) about the "big names" in the showbiz. *Animate/Ani-Mapua shop where anime and game fans gather and are treated to drawings of popular characters. *Kotekinosian - a bookstore, library, and educational center. *TVB- a multiple media space run by a tokusatsu crew and tokusatsu models. Use the "Anime-Kyu" app to unlock services that can help you make the most of your time in Akihabara. (In Japanese, please check out the original app.) Features: Highspeed, turn-based battles with real, life-like fighters. Each unit can act as a tank, a support unit, a interceptor, or an attack unit. Now join the battle on the stage of historic Akihabara. *Since the combination of characters and attack data is not fixed, each unit has its own strong point, and players can use this feature to their advantage. *Dive into Akihabara's fascinating otaku culture. *Join the battle as you fight against the soldiers of Sengoku and samurai in Japan. *Harness the powers of insects and beasts. *Receive orders and replenish your health and soul force to fight against the enemy. *Take

control of the battlefield and evolve your own tactics. *Maintain a strategic approach to strategy games. *Equip your main characters with a variety of weapons and armor. *Engage in castle siege battles with a variety of map types. *This game utilizes the cloud technology of an App service (SOX) and auto back-up technology (backup), with
