#A New Fantasy Action RPG Held in the Worlds Between is a new fantasy action RPG developed by Vaimoji Experience Group Co., Ltd. The "elden" in the title of our game is the English translation of the Japanese word, "tarnish," which is a common term for the past term, "elder." It is a basic structure for the game created by the developer of the strategy game Dynasty Warriors. As we focus on the fantasy aspect of the game, we are going to modify Dynasty Warriors and make it suitable for fantasy action RPG. The game will have an astounding world full of rich and contrasting environments. The "world" in the title of our game is a mess of unorganised information floating in the Worlds Between. As
