Ludo Talent for PC or Computer with operating systems such as Windows 7, 8, 8.1, 10 and Mac.. Updates are periodically applied by Studio Mute as patches, adding smaller changes, and upsells the users with larger changes to the current product, usually including the ability to export at higher resolutions and new/enhanced in-game features, such as skins and player characters. Game updates may also include bug fixes, minor balance changes, and more. In 2004, Studio Mute released Delta Force 2, a PC game sequel to the 2003 game Delta Force for Windows and PlayStation 2. The game was developed and published by Volition, and was released on November 30, 2004. It includes new weapons, increased AI difficulty, and a new multiplayer mode. In 2005, the game was released for the Xbox 360, Nintendo GameCube, PlayStation 2, and PlayStation Portable. Delta Force 3 is a 2006 PC game developed by Volition, which was originally released for Microsoft Windows as a second sequel to the 2003 PlayStation 2 game Delta Force: Black Hawk Down, and as a followup to Delta Force 2. It is the third and final game in the Delta Force series. The game was released on June 13, 2006. Delta Force 4: Black Hawk Down is a 2010 multiplatform video game developed by Volition and published by Activision, for Microsoft Windows and PlayStation 3. Gameplay is very similar to Delta Force 3, although a new weapon-customization system was added as well as a new multiplayer mode. The story is set during the Iraqi Civil War, following the events of the second game. Delta Force 3 Online is an online multiplayer mode in which up to four players can play cooperatively using a split screen split into sections, similar to Crysis 2 and Battlefield 2. The maps have been designed with one team (A) having the "bad guys" on the second map, and one team (B) having the "good guys" on the third map. Players have access to various submachine guns, shotguns, assault rifles, and other weapons. Each map has its own primary objective and secondary objectives. The game contains two modes, Kill Confirmed (
