As a manly man with a family, after you had an accident that got you sick, you will go into hospital for healing. In this time, you meet a girl named aarati and after that, a stranger named tapi. See how the fate of this couple will be. Promise of More: There is a promised of more, that depends on how you play the game. Features The more you play the game, the more the decisions of this game is complicated. Heroes can make decisions and actually get a family. The decisions of heroine is a mother and a father. A multitude of events, leave you deeply moved. As it is a simulation, the decisions that you make and how you make those decisions affect the game. The fate of people and animals' life is at the mercy of you. As a result of certain events, your family will get sick. So if you meet certain sick person who gets sick after hearing certain words like "Arati", your family will become sick. In the process of getting healed, the more you love your family, the more they'll be able to get healthy. In this game, the more people who use kalibei, the more magic power the person can get. At first, you can use common magic to heal people. After you get certain magic power and you get rid of your ailments, you can choose to use the even more powerful magic to heal people. A magic power meter, and if you use the magic power, you will get a bar, after that you can choose to use the power for healing other people's illnesses. The more magic power you use, the more effective it will be. Amongst all magic power, you will need to think carefully when you use the special magic. There are some things you cannot do by using magic. For example, you cannot drink liquor, you cannot use drugs and you can't look at a woman. Special magic is divided into five types, each type has its own effect. If you use the special magic, there is a special effect on the floor. Also you will have specific results on the special effects. If you use magic power, the more people who uses it, the more powerful magic power you can get. Enhance the Magic Level: When you get new magic
