I've read most of the reviews, and can't find any that were negative. I'd love to hear more about the audiobook... A: So my favourite is this one: A: One of my favourites is at magpiemum1: -- Blah! Blah! Don't care. Blah! Blah! Can't be bothered. Blah! Blah! I think that whole book is utter fluff. I don't want to spend my time reading it, I want to write my book and be famous. Blah! Blah! - Sophia Amundsen A: At wading into darkness, I found this: Sophie's World is not only a highly enjoyable read, it's also a very educational book. Not only does it bring forth some of the great philosophical concepts such as: the life of the mind, determinism, free will, identity, cognitive bias, the role of scientists in society, 6d1f23a050
