Please be sure to include your serial number, partner number, or contract number... This is a free utility available as a separate download from MapInfo. Once I downloaded MapInfo, I launched it. It was installed on my computer and immediately opened a "New Project Wizard" window that prompted me to choose what I wanted to do. I selected "Create New Project," then it asked me what type of project I wanted to use. Since I wasn't planning on creating many projects, I chose "Map View." I clicked "Next" and the screen changed again. This time the "Choose a path for MapInfo" screen appeared. I selected the path to my installation and
